SYLVANIA LED Specialty Lamps are direct replacements for halogen lamps. They are available in a variety of shapes and base types, and in a natural white 3000K.

The compact size of the Specialty Lamps makes them ideal for a variety of applications in both residential and commercial applications, including vehicles, closets, under cabinets, chandeliers, displays, sconces, task lighting, and work lamps.

These bulbs have all the features of your typical LEDs, such as low heat emission, high energy efficiency, and a long rated life of 15,000 hours (L70).

Specifications and Certifications

Application Information

Applications

- Chandeliers
- Closets
- Sconces
- Task lights
- Work lamps

Application Notes

1. Operating temperatures between -20°C and 45°C.
2. Suitable for damp locations.
3. Not suitable for dimming applications.
