Application Notes

1. SMART+ Outdoor Accent requires ZigBee compatible home automation hub (sold separately)
2. Product activation requires active WiFi Network and ZigBee compatible home automation hub (must be placed in range of wireless router)
3. 2-year limited product warranty
4. Operating temperatures between -4°F and +104°F (-20°C and +40°C)
5. Suitable for use in outdoor locations
6. Not intended for use with dimmers, emergency light fixtures or exit lights
7. Lamp dims via wireless control and will not operate with a dimmer switch. Remove all existing dimmers and replace with a regular switch; leave lamp in ON position
8. Do not cover this product. Covering may cause the Accent Lights to overheat, melt, or ignite

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. For FCC Part 15 user information, please see www.sylvania.com/fcc15b.

*LED Lamp lifetime is defined as the number of hours when 50% of a large group of identical lamps reaches 70% of its initial lumens.
